

ABOUT US

Over 50 Years Experience in the Masonry Industry

NevilStone has over a half century of masonry experience behind it. Our family has owned and operated a number of masonry companies since 1950. Nevil Masonry Supply, Plano Cast Stone, Tejas Textured Stone, and Nevil Brick Supply were all a product of the Nevil Family. Nevil Masonry Supply, a chain of masonry supply houses, Plano Cast stone, which produces structural pre-cast products, and NevilStone, a producer of lightweight manufactured stone veneer, are all still in the family and going strong.

With three generations of masonry experience behind us, NevilStone will be here to serve you now and for generations to come.
